## EXTRACURRICULAR ACTIVITIES

### Model United Nations Club

- Enthusiastic delegate since 9th grade, won awards in all 9 competitive conferences I've attended
- Go above-and-beyond in research, e.g., in role of China legal council at UN ICJ, I contacted Philippines Senate, proved maritime treaty participation voided in coup, a theory unbeknownst to international legal community
- Appointed as club president for 11th grade year, leading weekly MUN lessons & 1:1 mentoring students

### Student Council Treasurer

- Elected in competitive school wide election after less than 130 days on campus, through proposal for improved school snacks
- Actively manage five figure budget, reporting to school comptroller, co-led successful gear sale which grossed \$3,100
- Authored unanimously passed snack bill, upholding "campaign promise", working towards constitution rewrite

### Cross Country

- Competed on boys varsity team in grades 9, 10, 11
- Served as sole junior captain in '21 season, co-led warmups and team meetings, directed communications
- Elected to serve as senior captain in '22 season

### 13.1 Project

- Trained alongside team for half-marathon in 10th grade
- Appointed based on running work-ethic to serve as captain for 12 grade season

### Sprint Running

- Served as team captain in 10th grade season

### Student Body Advisory Council

- Since 10th grade, advised administration on everyday student life concerns

## PROFESSIONAL & VOLUNTEER EXPERIENCE

### Jake Auchincloss for Congress | FELLOW (April - November 2020)

- COVID-19 opened up time for me to pursue my passion for politics; cold-emailed campaign coordinator to get internship
- Work: infrastructure proposal research, leading virtual phone banks, opposition donor research, and graphic design
- Highlight: Co-designing mail-in ballot tracking Google Sheet, and coding website to display results in real time for Team Jake

### Deval Patrick for President | INTERN (December 2019 - February 2020)

- Sole intern in campaign office. Led phone banking sessions, filed state ballot applications, coordinated speaking opportunities with Gov. Patrick and student organizations, and conducted basic research

### Brookline Thrives | VOLUNTEER (APRIL 2021 - Present)

- Enabled by COVID immunization, began regularly volunteering for Thrives in packing weekend bags and unloading inventory
- Inspired by mission to end weekend hunger amongst kids through Thrives' take home snack bags, I personally coordinated a donation of thousands of dollars in healthy chickpea snacks from a local producer I identified and cold-emailed

### Jack Botein Website Design | SOLE-PROPRIETOR (JUNE 2021 - September 2021)

- Over summer, Thanksgiving, and winter break I launched a business building websites, logos, and graphics for small enterprises
- Free ads on 80 local Patch.com websites sourced 14 clients, for whom I rapidly designed quality, affordable digital presences
- Proceeds from Website Design business will fund shipping expenditures of planned Brookline Thrives chickpea donation
