# INTRODUCTION

America is approaching a crossroads. Our current path is one of climate inaction, massive government deficits and an erosion of the American Dream. To prevent these catastrophic issues from coming to term, I believe we as a nation must abandon our current direct, and embark on a new path, we must take a whole new Vision to America for 2030.

# ENVIRONMENTAL ACTION

According to Wikipedia, an annual report is a comprehensive report on a company's activities throughout the preceding year. Annual reports are intended to give shareholders and other interested people information about the company's activities and financial performance. They may be considered as grey literature. Most jurisdictions require companies to prepare and disclose annual reports, and many require the annual report to be filed at the company's registry. Companies listed on a stock exchange are also required to report at more frequent intervals (depending upon the rules of the stock exchange involved). According to Wikipedia, an annual report is a comprehensive report on a company's activities throughout the preceding year. Annual reports are intended to give shareholders and other interested people information about the company's activities and financial performance.

They may be considered as grey literature. Most jurisdictions require companies to prepare and disclose annual reports, and many require the annual report to be filed at the company's registry. Companies listed on a stock.

# DEFICIT ELIMINATION
